name = Chevalley Mikael

email = shim8@hotmail.fr

Org. = University of Montpellier

Internship period = march to august 2009

Placement = AARM/AIT/Thailand

Q1. = Score 8. Ans-yes. I knew the topic of the intership and my advisor answer very quickly to the mails I sent.

Q2. = Score 10. Ans-perfect

Q3. = Score 6. Ans-very warm welcome, just some difficulties to begin my experiment because a lack of supplies

Q4. = Score 7,5. Ans- the same, but some external problems that I get not expected small changes with the supplies needed

Q5. = Score 9. Ans-very interesting and different from my others internships

Q7. = Score 10. Ans- I would just advise to pay a lot/more attention at the very begenning of the internship, especially for students from a different continent (differences of culture...)

Comments/Suggestions: = Ans- As I said, to pay more attention and help more the students from different cultures, because it's very amazing to discover so many things/abits...
